

Artwork: **Those who Stand to Defend our Land** Artist: **Harry Alfred Pitt**

My artwork features three brothers with their land behind them and the horizon before them. Their Elders are reflected in the water, giving the brothers the strength to overcome what lies over the horizon. My work acknowledges the young men and women of today who are across the sea doing their very best to protect their home and serve their country, empowered by their ancestors. Our soldiers are embracing their heritage and protecting their homes, just as their ancestors did before them, only now they do this beyond the shores of their homeland.
